

Cybersecurity & Penetration Testing for Charging Platform Co

PROJECT DETAILS

 Application Management & Support, Cybersecurity

 Dec. 2025 - Dec. 2025

 Confidential

 *"Stingray Inc.'s experience and knowledge were impressive."*

PROJECT SUMMARY

Stingray Inc. provided security testing and penetration testing for a cloud-based energy and charging platform company's main apps. The team delivered reports with their findings and recommendations.

PROJECT FEEDBACK

Stingray Inc. delivered good findings that helped the client reduce security risks. The team had good project management and communicated via virtual meetings, emails, and messaging apps throughout the engagement. Moreover, the client was impressed with Stingray Inc.'s experience and knowledge.

The Client

Introduce your business and what you do there.

I'm the CTO of a cloud-based energy and charging platform for the semi-public sector. We enable easy EV charging, efficient energy use, and optimized load management for businesses, hospitality, parking, and housing industries.

The Challenge

What challenge were you trying to address with Stingray Inc.?

We needed help with security testing and penetration testing.

 CTO, Cloud-Based Energy & Charging Platform Company
