# The Approach

## What was the scope of their involvement?

Stingrai Inc. provided internal, network, and web penetration tests. The team also delivered reports, findings, and recommendations on how to remediate the issues.

## What is the team composition?

We worked with 2–5 teammates from Stingrai Inc.

## How did you come to work with Stingrai Inc.?

We found them through an online search. We chose them over other options because they had high ratings, were close to our geographic location, had pricing that fit our budget, had a great culture fit, and offered good value for the cost.

## How much have you invested with them?

We spent less than $10,000.

## What is the status of this engagement?

We worked together in December 2025.

# The Outcome

## What evidence can you share that demonstrates the impact of the engagement?

Stingrai Inc. found vulnerabilities that even our team and vulnerability management systems missed. Overall, they helped us harden our systems and platforms.

## How did Stingrai Inc. perform from a project management standpoint?

Stingrai Inc. delivered on time and provided excellent service. We communicated through virtual meetings.

## What did you find most impressive or unique about them?

We were impressed with their personalized approach throughout the whole process and the transparent nature of their methods.

## Are there any areas they could improve?

I didn't think there was anything they could improve on.
