

Penetration Testing for Software Dev Observability Company

PROJECT DETAILS

 Cybersecurity, Application Testing

 Jan. 2025 - Jan. 2026

 Confidential

 *"They delivered on time and adapted to our needs."*

PROJECT SUMMARY

Stingrai Inc. conducted a penetration test for a software development observability company. The team tested some endpoints and reported any vulnerabilities found.

PROJECT FEEDBACK

Stingrai Inc. successfully identified false positive findings and delivered the project on time. The team adapted to the client's needs and communicated effectively through virtual meetings and email updates. Their willingness to improve was key to the project's success.

The Client

Please describe your company and position.

I am an executive at Bitergia

Describe what your company does in a single sentence.

Observability over collaborative software development.

The Challenge

What specific goals or objectives did you hire Stingrai Inc. to accomplish?

- PenTest
- Reduce costs

 Executive, Bitergia

 Other industries

 Madrid, Spain

CLIENT RATING

5.0

Overall Score

Quality: 4.0

Schedule: 5.0

Cost: 5.0

Would Refer: 4.5

The Approach

How did you find Stingrai Inc.?

Online Search

Why did you select Stingrai Inc. over others?

Good value for cost

How many teammates from Stingrai Inc. were assigned to this project?

2-5 Employees

Describe the scope of work in detail. Please include a summary of key deliverables.

Test some endpoints and report the vulnerabilities found, if any.

The Outcome

What were the measurable outcomes from the project that demonstrate progress or success?

Known false positive findings that do exist although they don't affect us.

Describe their project management. Did they deliver items on time? How did they respond to your needs?

They delivered on time and adapted to our needs.

What was your primary form of communication with Stingrai Inc.?

- Virtual Meeting
- Email or Messaging App

What did you find most impressive or unique about this company?

Their will to improve.

Are there any areas for improvement or something Stingrai Inc. could have done differently?

Yes, but I guess it would have costed us both too much. Tiny companies like us need to breathe.
